

Value	Definition
Respect	Treating people, places and things with care and showing that everyone belongs.
Kindness	Choosing words and actions that make people feel happy, safe and included.
Integrity	Doing the right thing even when no one is watching.
Resilience	When something is challenging, we learn from it and do not give up.
Responsibility	Being reliable and taking ownership for your choices.

Our Values

At Windrush Charlton, our values are at the heart of everything we do. Following consultation with our pupils, parents, staff, governors and wider school community, we identified five core values that reflect the qualities we want all children to develop during their time with us.

These values guide how we learn, work and treat one another. They help us to create a school where everyone feels safe, happy, respected and valued, and where every child has a strong sense of belonging.

Through our curriculum, relationships and everyday experiences, we aim to teach our pupils to live out these values both in school and beyond, preparing them to be caring, responsible and successful members of society.

Our school motto captures this commitment:

Be Kind. Be Responsible. Be Your Best.

Together, our values and motto encourage every child to make positive choices, show respect for others, take responsibility for their actions and strive to be the very best version of themselves.
